| Foreign Language (H) | Philosophy (H) |
| Library Science (H)  | Religion (H)   |
| Literature (H)       | Theatre (A)    |

**AREAS RECOMMENDED AS SOCIAL AND/OR BEHAVIORAL SCIENCES AT CALHOUN**

Courses in the social sciences should give the student a broader understanding of social systems and the ways in which human beings relate to each other and to socio-economic-political conditions. At Calhoun, students may select courses from the following areas to satisfy Calhoun requirements:

- |              |                   |
|--------------|-------------------|
| Anthropology | Political Science |
| Economics    | Psychology        |
| Geography    | Sociology         |
| History      |                   |

**AREAS RECOMMENDED AS NATURAL SCIENCES AT CALHOUN**

Courses in the natural sciences are based on investigation of natural phenomena through the processes of reason based on systematic empirical observation. At Calhoun, the student may select courses from the following areas to satisfy Calhoun requirements:

- Astronomy
- Biology
- Chemistry
- Physical Geography
- Physical Science
- Physics

Each student should work closely with his/her advisor to determine the course preference for transfer to a specific program, college, or university.

**Calhoun Community College has general educational outcomes expected of all graduates. All students graduating from Calhoun Community College will have competencies in critical thinking; communication; quantitative reasoning; scientific reasoning; cultural literacy; information and computer literacy and diversity. In each of the general education courses, students will cultivate these skills.**
