

## INDEX OF COURSE PREFIXES

**COURSE DESCRIPTIONS**

Prefix	Course	Page No.	Prefix	Course	Page No.
ACR	Air Conditioning & Refrigeration .....	129	MTH	Mathematics.....	179
ADM	Advanced Manufacturing.....	128	MTT	Machine Tool Technology .....	175
ALI	Alabama Language Institute .....	169	MUL	Music .....	181
ANT	Anthropology .....	131	MUP	Music-Private .....	182
ARS	Aerospace Technology .....	130	MUS	Music-General .....	183
ART	Art .....	132	NAS	Nursing Assistant .....	186
AST	Astronomy .....	135	NUR	Nursing .....	186
BAR	Barbering .....	135	OAD	Office Administration.....	188
BSS	Basic Study Skills.....	138	ORI	Orientation .....	188
BIO	Biology .....	136	ORT	Orientation/Technical .....	188
BUS	Business.....	138	PED	Physical Education .....	188
CHD	Child Development .....	142	PFC	Photography & Film .....	192
CHM	Chemistry.....	142	PHL	Philosophy .....	193
CIS	Computer Information Systems .....	144	PHS	Physical Science .....	193
CIT	Cosmetology Instructor Training.....	149	PHY	Physics.....	194
CLT	Clinical Laboratory Technology .....	147	POL	Political Science .....	195
COS	Cosmetology .....	149	PRL	Paralegal .....	196
CRJ	Criminal Justice.....	151	PCT	Process Technology .....	194
DDT	Design Drafting Technology .....	154	PSY	Psychology.....	196
DNT	Dental Assisting .....	152	RDG	Basic Reading Skills .....	138
ECO	Economics .....	155	REL	Religion .....	198
EDU	Education .....	155	RLS	Real Estate .....	198
ELT	Electrical Technology .....	156	RTV	Radio and TV Broadcasting .....	199
EMP	Emergency Medical Paramedic .....	157	SOC	Sociology .....	199
EMS	Emergency Medical Services.....	160	SUR	Surgical Technology.....	200
ENG	English .....	168	SPA	Spanish .....	199
FRN	French .....	170	SPH	Speech Communications.....	200
FSC	Fire Services Management .....	170	SWT	Social Work Technology.....	200
GEO	Geography and Physical Geography .....	170 & 193	THR	Theatre .....	201
GIS	Geographic Information System Technology .....	170	VCM	Visual Communications.....	202
GRN	German .....	171	WKO	Workplace Skills Enhancement .....	203
HED	Health Education .....	171			
HIS	History .....	171		Special Populations	
HPS	Health Science.....	173	ADL	Adult Literacy .....	204
IDS	Interdisciplinary Studies.....	173	ABR	Automotive Body Repair.....	205
ILT	Industrial Electronics Technology .....	173	AUM	Automotive Mechanics .....	206
INT	Industrial Maintenance Technology.....	174	CAR	Carpentry .....	208
MIC	Music Industry Communications .....	185	DDT	Design Drafting Technology .....	210
MCM	Mass Communications.....	178	HOC	Horticulture .....	213
MSG	Massage Therapy .....	178	MAS	Masonry .....	215
			UPH	Upholstery.....	216
			WDT	Welding Technology.....	218

## CREDIT HOUR EQUIVALENCIES

**CREDIT HOUR EQUIVALENCIES** – The ratio of weekly contact hours to credit hours varies with the type of instruction being used. The College will recognize the following methods or types of instruction:

**THEORY. (T)** One hour of theory instruction under the supervision of an instructor plus an average of two hours of out-of-class study per week. 1:1

**EXPERIMENTAL LABORATORY. (E)** Two hours of experimental laboratory under the supervision of an instructor plus an average of one hour of out-of-class assignments per week. 2:1

**PED ACTIVITY. (A)** Two hours of physical education class activity/practice under the supervision of an instructor with out-of-class assignments per week. 2:1

**MANIPULATIVE LABORATORY. (M)** – Three hours of practice/manipulative laboratory under the supervision of an instructor with no out-of-class assignments per week. 3:1

**SKILLS LABORATORY/CLINICAL PRACTICE. (S or C)** - Three hours of skills laboratory or clinical practice under the supervision of an instructor. 3:1

*Skills Laboratory/Clinical Practice* is the term for skills laboratory (S) and clinical experiences (C) which are under the direct supervision of faculty. There may be out-of-class assignments per week, but they are not required. For example, skills laboratory and clinical experiences may have out-of-class assignments whereas a computer laboratory may not require an out-of-class assignment.

**PRECEPTORSHIP. (P3 or P5)** - Three or five hours of clinical experience per week under the supervision of a health care professional who is currently licensed, has expertise in the selected clinical area, and serves as a facilitator of learning. 3:1 or 5:1.

*Preceptorship* is the term used for clinical experiences which are supervised by currently licensed health care professionals who have expertise in a selected clinical area. Preceptors are employees of a clinical agency who are approved by faculty of the program and the administration of the clinical agency. Objectives for the preceptorship are specified. A designated faculty member is readily available (by telecommunication devices, for example) to the preceptor and student during the *preceptorship* experiences. Students enrolled in fields of study for which programmatic accreditation and/or licensing bodies require an 8:1 preceptorship ratio must comply with discipline-specific time-to-credit criteria.

As the contact hours for courses using preceptorship clinical experiences are entered, specify in the column for “clinical” the actual number of contact hours per week followed by a bold (P3) or (P5).

**INTERNSHIP (I)** - Five hours of experimental internship per week under the control and supervision of the employer on the job with coordinated employer/college representative planning. 5:1

*Internship* is the term used to include cooperative education, practicums, and sponsored work instruction. *Internship* involves the development of job skills by providing the student with a structured employment situation that is directly related to, and coordinated with, the educational program. Student activity in “internship” is planned and coordinated jointly by an institutional representative and the employer, with the employer having the responsibility for control and supervision of the student on the job. Students enrolled in fields of study for which programmatic accreditation and/or licensing bodies require a 10:1 internship ratio, must comply with field-specific time-to-credit criteria.

The number of clock hours of each type of instruction is stated in each course description. Types of instruction may be mixed within one course. In that event, the number of contact hours for each type of instruction is spelled out in the following order: Theory (T), Experimental Laboratory (E), PED Activity (A), Manipulative Laboratory (M), Skills Laboratory/Clinical Practice (S or C), Preceptorship (P3 or P5), and Internship (I). On the right side of the column, the number of credit hours for the entire course is given.
