
About the Program

The Associate of Science Degree Program in Art at Calhoun Community College is a traditional art foundation program of accredited courses transferable to universities and art schools.

In this program, students can learn to draw, design, paint, make original relief and intaglio prints and create computer art in large, well-equipped studios with natural lighting.

A survey of Art History from cave painting to contemporary insider and outsider art promotes understanding of the backgrounds and styles of other artists and motivates the designing of new works of art. After the completion of all art courses and academic courses, a professional portfolio of the student's drawings, paintings, designs, original prints, or three-dimensional art is prepared with the guidance of a major faculty advisor to enhance employability as an artist, for scholarship applications, or to show at universities or galleries.

The creative atmosphere and friendly attention of the staff and students at Calhoun encourages a student's self expression in art.

About the College

Calhoun Community College is an active, viable member of the North Alabama community, providing educational and training opportunities to the citizens of this area. With approximately 7,600 students, Calhoun represents the essence of the two-year college mission of excellence in teaching and service.

Graduates of Calhoun Community College permeate the community. Many of them have gone on to complete baccalaureate degrees at other institutions or have entered the workforce after successfully completing programs of study at Calhoun and are among the nation's leading professionals.

In this brochure, we tell you more about one of the college's many exciting programs of study — the **Associate of Science Degree Program in Art.**

ART

Associate of Science Degree

This program is for those who plan to transfer to senior institutions and pursue a B.A. degree in art. Some courses are only offered once a year in the day program on the Decatur campus. Students should plan schedules with the advice of the art faculty. A formal review of a professional quality portfolio of the student's art work is required upon completion of the program of study.

ART Painting Elective.....	3
ART 299 Portfolio	1
Total	22
Total Credits	64

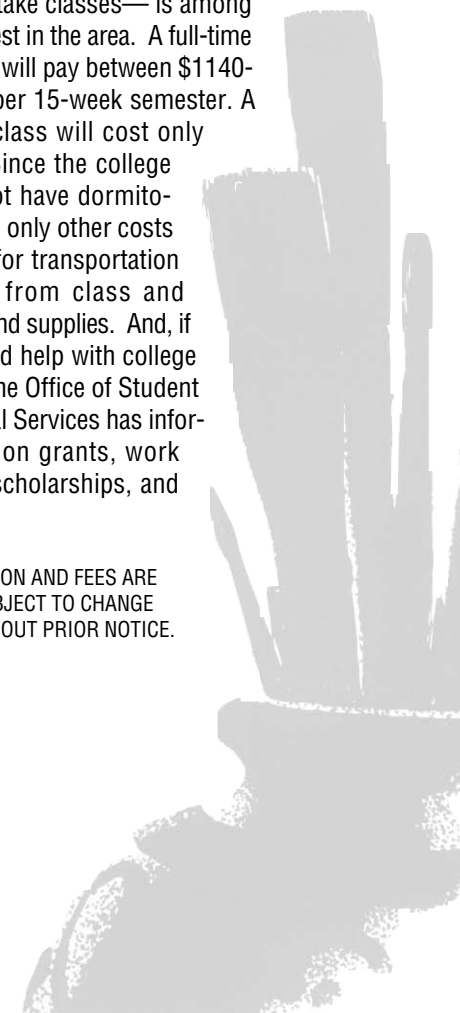

How Do I Apply?

Everyone must submit an application for admission to either the Admissions Office on the Decatur campus or to the Huntsville campus or Redstone Arsenal extension. At that time, you'll receive further information on admissions requirements.

How Much Will it Cost?

Tuition at Calhoun — the fees paid to take classes— is among the lowest in the area. A full-time student will pay between \$1140-\$1520 per 15-week semester. A single class will cost only \$285. Since the college does not have dormitories, the only other costs will be for transportation to and from class and books and supplies. And, if you need help with college costs, the Office of Student Financial Services has information on grants, work study, scholarships, and loans.

TUITION AND FEES ARE
SUBJECT TO CHANGE
WITHOUT PRIOR NOTICE.
