

About the Program

Calhoun Community College Theatre is an accredited, two-year program offering an associate's degree in theatre. Courses may also be taken as electives by non-majors.

You'll find our graduates in four-year institutions, graduate schools, and even the professional ranks of stage and film. But we are just as proud of those who have pursued other fields, for we believe that theatrical training, with its emphasis on teamwork, preparation, and presentation, teaches and motivates students to excel in any career.

Each year, Calhoun Theatre presents three plays, including one by Shakespeare. Our goals have always been to produce the highest quality plays; to give each of our students the opportunity to participate; and to entertain and educate our audiences, especially students in middle school, high school, and college.

Our Performance Plus and Theatre Outreach programs offer special performances for schools, senior citizens, and other groups in the Calhoun service area. We also provide learning and teaching aids, lectures, and discussion groups.

All Calhoun plays are presented in our Black Box Theatre. This unique performing area places audience members on opposite sides of the stage, thereby offering the intimacy of theatre-in-the-round while retaining full set-building capability. A play at Calhoun is an experience like no other.

THEATRE ARTS

About the College

Calhoun Community College is an active, viable member of the North Alabama community, providing educational and training opportunities to the citizens of this area. With approximately 9,000 students, Calhoun is the largest of Alabama's two-year colleges, representing the essence of the two-year college mission of excellence in teaching and service.

Graduates of Calhoun Community College permeate the community. Many of them have gone on to complete baccalaureate degrees at other institutions or have entered the workforce after successfully completing programs of study at Calhoun and are among the nation's leading professionals.

In this brochure, we tell you more about one of the college's many exciting programs of study — the **Theater Arts Program**.

How Do I Apply?

Everyone must submit an application for admission to either the Admissions Office on the Decatur campus or to the Huntsville campus or Redstone Arsenal extension. At that time, you'll receive further information on admissions requirements.

How Much Will it Cost?

Tuition at Calhoun — the fees paid to take classes — is among the lowest in the area. A full-time student will pay between \$1080-\$1710 per 15-week semester. A single class will cost only \$270. Since the college does not have dormitories, the only other costs will be for transportation to and from class and books and supplies. And, if you need help with college costs, the Office of Student Financial Services has information on grants, work study, scholarships, and loans.

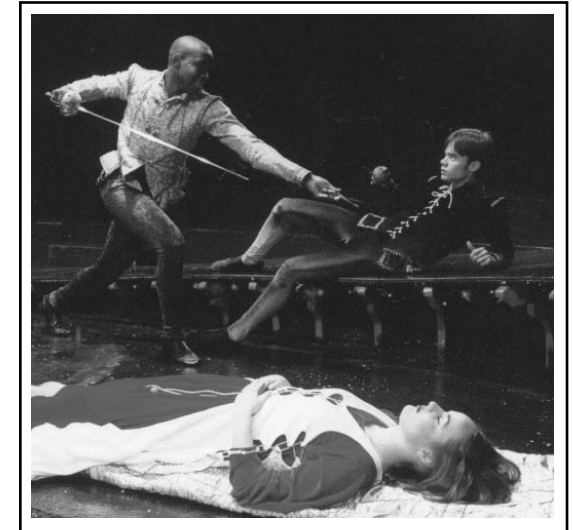

TUITION AND FEES ARE SUBJECT TO CHANGE
WITHOUT PRIOR NOTICE.
