EXEMPTIONS TO COURSE PLACEMENT TESTING POLICY

1. Successful completion of English and/or mathematics course(s) at a regionally accredited college or university. The level of the course(s) successfully completed determines the level of course(s) for which a student may be eligible. Example: a student who completes an intermediate college algebra class is not eligible for a calculus course, but rather the next course in sequence.
2. An ACT English score of 20 or better or a SAT Verbal of 480 or better exempts the placement requirement for English 101.
3. An ACT mathematics score of 20 or better or a SAT Math of 526 or better exempts the placement requirement for college mathematics courses. Placement is based on the high school background of the student in consultation with an academic advisor.

NOTE: Exemptions to the Course Placement Testing Policy must be documented by submission of ACT or SAT score reports and/or submission of official college transcripts. ACT or SAT scores should be within two years of high school graduation.

EXIT TESTING

Any student earning an A.A.S. degree or a certificate must complete an exit examination during the semester he/she completes his/her degree or certificate requirements. A degree or certificate will not be issued until exit test scores have been received by the Office of the Registrar. Students should select one of the ASSET testing dates, attend the testing session, and notify the test administrator that you are completing and are fulfilling the exit testing requirement by completing form C ASSET. Students completing degree and/or certifi-

cate requirements should complete the reading, writing, and numerical skill tests. Exit testing is required to comply with federal requirements. No minimum score is required at this time. Contact Advising Centers for test times.

ADVISING CENTERS

Advising Centers staffed by faculty and counselors are open and operational on the Decatur Campus, Huntsville/Research Park location, and for limited hours at the Redstone Arsenal site. The personnel manning the centers will help students plan their schedule, plan their program of study, and register for classes. New students are required to meet with Advising Center personnel. STUDENT ACTIVITIES

Student activities at Calhoun present various opportunities for students to participate in educational experiences not otherwise provided in the curriculum. The student activities program at Calhoun Community College is the responsibility of the students through the Student Government Association. The purpose of the Student Government Association is to represent every student as a direct line of communication to staff, faculty, and administration. The Student Government Association operates under the direction and supervision of the Student Activities Facilitator and the Assistant Dean for Student Affairs.

STUDENT GOVERNMENT ASSOCIATION

The SGA is intended to provide for active student self-government; to encourage mutual respect among students, faculty, and administrators; to promote the involvement of students in community programs and projects; to provide social and recreational outlets for all students; to function as an organized and realistic laboratory through which students may acquire and “try out” those skills necessary for living in and improving their communities. Calhoun Community College encourages student participation in institutional decision-making. The SGA represents student views to the college administration through representation on the College Council, College Cabinet, Discipline Committee, and the Parking/Traffic Appeals Committee, as well as other special appointments. Calhoun’s College Council consists of full-time faculty, counselors, librarians, and administrators; selected representatives of the part-time faculty; and members of the Support Personnel Council and SGA. The College Cabinet consists of elected representatives from the above groups and serves as the executive group for the College Council. All students should take an active part in the SGA by (1) voting in every election; (2) taking the initiative to run for offices; and (3) conveying ideas and/or requests to elected student representatives.

The office of the SGA is located in the Chasteen Student Center, with regular hours maintained by the student government officials. All students are urged to meet with their representatives and to take an active part in the affairs of the student government.
