INSTRUCTIONAL INFORMATION AND REGULATIONS

CLASSIFICATION OF STUDENTS

University Parallel

Students who plan to enroll for coursework which will transfer to a four-year institution are considered to be university parallel students. Enrollment may be for a minimum of one term or through completion of a two-year degree. Students should meet with an academic advisor to discuss programs of study and transfer requirements.

Transient

Students who have previously attended another college and who will be enrolled for only one semester and then return to the college of original enrollment are considered to be transient students. Students must submit an official letter from the parent institution they have been attending which certifies that the credits earned will be accepted by transfer.

Career, Technical and Occupational

Students follow one of the career, technical, or occupational programs which lead to a certificate or degree.

Course Load

Students are classified according to the course load based on the credit hours for which they are enrolled on a semester basis.

Credit Hour Loads	Credit Hours
Full-Time	12 or more
Three-Fourths Time	9-11
One-Half Time	6-8
Less Than Half Time	5 or less

NOTE: To be eligible for financial assistance a student must be enrolled for at least 6 credit hours.

Drop-And-Add Period

The drop and add period will be the first three days of each semester. If a course meets once per week the period will extend to the beginning of the second official class meeting day/evening. No grade will be assigned if a course is dropped during the drop/add period. See the section of this catalog on refund policy for refund information.

Withdrawals

A student who wishes to withdraw from a course(s) after the drop/add period may do so by having a withdrawal/drop form completed by Admissions/Records personnel or their designated representatives. A student may withdraw from a course(s) until the midpoint of the semester and be assigned the grade of "W" for each course, provided the student has not exceeded allowable absences and the instructor has not submitted an absence form with a grade of "FA".

If a student wishes to withdraw from a course(s) after the midpoint of the semester, but before the last class day prior to the finals, an instructor may assign a grade of "WP" if the student is passing at the time of withdrawal or a "WF" if the student is failing at the time of withdrawal, or an "FA" if the student has exceeded allowable absences.
