

## AUTHORIZATION TO USE PACT

Student Name: \_\_\_\_\_

The Prepaid Affordable College Tuition plan provides payment for a total of 135 semester hours and 8 terms of fees. When a student pays for a term with his/her PACT plan, the credit hours being taken that term will reduce the number of semester hours remaining on the plan, and one term of fees is used. Once the PACT program pays for tuition and fees, the plan will not allow families to pay tuition and fees back to the program to use those funds at another time. Therefore, Calhoun requires authorization from students to use the PACT program at this college. The authorization below is needed each academic year and must be completed before the fee payment date in order to assure that charges are applied correctly.

Due by: August 21, 2008

I authorize Calhoun Community College to bill my PACT account to pay tuition and fee charges for the **2008 - 2009** academic year as indicated below. I understand that I am responsible for paying all charges that cannot be billed to the PACT plan. I also understand that I am responsible for notifying the Business Office in writing prior to the first day of classes if I wish to use a method of payment other than PACT.
